Message from General Chair of PVSEC-36

On behalf of the Organizing Committee, I would like to invite you to participate in the 36th International Photovoltaic Science and Engineering Conference (PVSEC-36), which will be held at Chulalongkorn university, Bangkok, Thailand, from the 9th to 14th in November 2025. The Conference is of particular significance to the Thai community as it will be organized as "A Project to Honor Her Royal Highness Princess Maha Chakri Sirindhorn on the Auspicious Occasion of Her Majesty's 70th Birthday Anniversary on 2nd April 2025". HRH Princess Maka Chakri Sirindhorn will preside over the Opening Ceremony and present the PVSEC Awards on the 13th November 2025.

PVSEC-36 will provide an excellent platform for the world's photovoltaic scientists and engineers to showcase and share the latest developments in solar PV technologies. It is my great pleasure to chair this PVSEC-36 Conference which will stimulate worldwide awareness of solar electricity in improving the quality of life and sustainability. Please prepare your abstracts and submit them and visit Thailand. You can expect traditional Thai atmosphere, a tropical country, from the welcome party, the Excursion Tours, the Banquet Party on cruise along the **Chao Phraya** river, and throughout the Conference. I wish you would enjoy the Conference and bring your spouses who will be able to join our excursion programs.

Prof.Dr. Dusit Kruangam, General Chair

Organizers

- Thai Photovoltaic Industries Association (TPVA)
- King Mongkut's University of Technology Thonburi (KMUTT)
- National Electronics and Computer Technology Center (NECTEC)
- National Energy Technology Center (ENTEC)
- Chulalongkorn University (CU)
- Kasetsart University (KU)
- Government Agencies, State Enterprises
- Private Sectors

Areas

1. PV in Sustainable Energy System, Policy
 - 1.1 Policy, Market, Finance, Deployment, Carbon Neutrality
 - 1.2 Grid Integration and Energy Management
 - 1.3 PV Status in Southeast Asian Countries (ASEAN)
2. System Engineering and Field Performance
 - 2.1 Integrated PV and Advanced Applications of PV
 - 2.2 Field Performance of PV Systems, Standard
 - 2.3 End of Life
3. Wafer-based Silicon PV
 - 3.1 Materials, Processes, Fundamentals
 - 3.2 Cells and Modules
4. Thin-Film PV and Modules
 - 4.1 Organic and Inorganic PV
 - 4.2 Compound Thin-Film PV
 - 4.3 III-V High Efficiency Devices
5. Perovskite and Emerging PV
 - 5.1 Perovskite PV
 - 5.2 Emerging Materials and New Concepts
6. Cross Cutting Area
 - 6.1 Tandem PV
 - 6.2 Artificial Intelligence in PV Development
 - 6.3 Solar to X, Sciences, Materials and Devices
 - 6.4 PV and Energy Storage Systems

Submission of Abstracts

Online abstract submission deadline will be on the **30th June 2025** (Thailand Time/GMT+7:00). All abstracts must be submitted electronically. Abstract template can be downloaded from the website www.pvsec-36.com. After submitting your abstract successfully, you will receive a confirmation of the submission by e-mail. The 1-PAGE abstract must be provided in English of A4-size. Please submit your abstract in PDF format. To encourage high-quality work among students, the Student Awards will be delivered in recognition of the most remarkable and outstanding research work in the field of PV. In order to apply for the Student Awards, applicants must make a registration as a student and submit your abstract as a speaker and the first author.

Registration

Early-Bird Registration

Participants are encouraged to register for the Conference by September 30, 2025 to be eligible for the reduced registration fee. Please complete the registration form via the website:

<https://www.pvsec-36.com>. The registration fee includes: access to all the technical sessions, welcome party, excursion tour, banquet party on cruise, opening ceremony, luncheons, shuttle buses between hotels-venue, handbag.

	Early-Bird Registration (By Sep 30, 2025)	Late/Onsite Registration (After Sep 30, 2025)
Regular Participants	Thai Baht THB 18,000	Thai Baht THB 21,600
Students	Thai Baht THB 9,000	Thai Baht THB 10,800

Remarks: About 33 THB is 1 USD.
